If you haven't any brains and don't know it, you'll advertise the fact by arguing on a subject you know nothing about, but if you haven't any brains and know you haven't you may get a reputation for having them by keeping still.

The State of Nevada sends greeting to said defendant Mattida Marie Chenoweth:

You are hereby summoned to appear within ten days after the service upon you of this summons if served in said county, or within twenty days if served out of said sounty but within said judicial district, and in all other cases within forty days (exclusive of the day of service), and defend the above entitled section.

This action is brought to recover a judgment dissolving the bonds of matrimony now and heretofore subsisting between you and plaintiff, on the ground of wilful desertion by you of plaintiff for more than one year at least next preceding the filing of the complaint herein, such desertion upon your part being intentional and without cause, and without plaintiff's consent, all as more particularly charged in the complaint on file herein.

Dated October 2, 1918.

Mr. A.E. Wiley, the noted geological engineer, who has just completed a sixteen-day survey of the field, gives it as his opinion that oil will be found in commercial quantities at a depth of 1600

THIS MEANS WE SHOULD STRIKE THE OIL SANDS WITHIN THE NEXT THIRTY DAYS

FROM DR. WILEYS' REPORT:

exploration for oil and that sinking of wells in the most favored places in that district is likely to YIELD FABULOUSLY RICH RETURNS.

From geological conditions as they are found in that district, I can reach but one conclusion, and that is that the chances for bringing in ONE OF THE BIG OIL FIELDS OF THE NATION are most promising, and I would recommend drilling as soon as practicable and believe that you will not be disappointed in getting oil
